National Conference

New Corporate Insolvency Regime AND Real Estate Regulation Act.

(Kolkata • Ahmedabad • Hyderabad • New Delhi • Mumbai)

8th September 2017 • Hotel Hyatt, Ahmedabad

BACKGROUND

A well-functioning insolvency regime is an important economical institution, particularly for an emerging economy. Insolvency issues have become more and more decisive in the globalization of capital and financial markets. An effective insolvency law has a direct bearing on determination of ease of doing business ranking of a country by the World Bank. An insolvency law is needed to achieve several objectives. Asset maximization is one of the key objectives of insolvency. There are several other issues of insolvency law - cultural, financial, legal and social - that must be balanced.

Despite the best of efforts and intentions, a regulator may not always have the ground realities. Therefore, the regulator could play a more active role in making regulations on the basis of the issues and crowd sourcing of ideas raised by the stakeholders.
