**Leveraging Mediation for catalyzing ADR
- The Mediation Act, 2023**

10TH OCTOBER 2023 | 02:30 PM – 06:30 PM | INDIA ISLAMIC CULTURE CENTRE, DELHI

"In today's complex and interconnected world, conflicts and disputes are an inevitable part of human interactions. In response to the increasing burden on courts and the need for more efficient methods of resolving disputes, alternative dispute resolution (ADR) mechanisms have gained significant attention and popularity. One such mechanism that has emerged as a powerful catalyst for effective dispute resolution is mediation. The Mediation Act, 2023 represents a significant step towards formalizing mediation as an ADR technique in India."
