INSOLVENCY AND BANKRUPTCY CODE

The Insolvency and Bankruptcy Code, 2016 (IBC) was enacted and came into force with effect from 28th May, 2016. IBC is a landmark piece of legislation which intends to resolve distress in the companies. India had numerous acts in place to punish the defaulters like the Indian Contract Act, the Recovery of debts due to Banks and Financial Institution Act 1993, the Securitizations and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, the Sick Industrial Companies (Special Provisions) Act, 1985 (SICA). The Government decided to replace the existing insolvency laws with new stringent laws which would take care of the existing defaulters in a time bound manner with the objective of balancing interest of stake holders
