

How to prepare for Limited Insolvency Examination under IBC, 2016

Some Practical Tips

CMA J K Budhiraja

CEO, Insolvency Professional Agency of Institute of Cost Accountants of India & Senior Director (Technical), The Institute of Cost Accountants of India efore I give the preparation tips for Limited Insolvency Examination under Insolvency and Bankruptcy Code 2016 (IBC, 2016 or Code), as some of the readers are new to subject, a brief of Insolvency and Bankruptcy Code 2016 is as follows:

The preamble of the IBC, 2016 states that the Code consolidates and amends the laws relating to reorganisation and insolvency resolution of corporate persons, partnership firms and individuals in a time bound manner for maximisation of value of assets of these persons, to promote entrepreneurship, availability of credit and balance the interests of all the stakeholders.

- 1. It envisages specific roles for each of the stakeholders comprising debtors and creditors (financial & operational creditors).
- 2. It provides for the ecosystem comprising Adjudicating Authorities (AAs): National Company Law Tribunal (NCLT) for Corporate Persons and Debt Recovery Tribunal (DRT) for individuals and Partnership firms, Insolvency and Bankruptcy Board of India (IBBI), Insolvency Professional Agencies (IPAs), Insolvency Professionals (IPs) and Information Utilities (IUs).
- 3. It provides time bound insolvency resolution process— 180 days after the process is initiated, maximum

ONE TIME extension up to 90-days— for resolving insolvency.

- 4. However, insolvency resolution of every corporate may not entail the same level of complexity and some could be resolved earlier. Therefore, it also provides for FAST TRACK INSOLVENCY RESOLUTION PROCESS for certain categories of corporate for 90 days after the process is initiated, maximum ONE TIME extension up to 45-days.
- 5. Appellate Authorities:For Corporate Persons (Companies & LLPs) - National Company Law Appellate Tribunal (NCLAT) and for Individuals and Partnership Firms-Debt Recovery Appellate Tribunal (DRAT.Civil court shall not <u>have jurisdiction.</u>The appeal to Supreme Court against the order of NCLAT and DRAT can be made on a question of law arising out of such order.
- 6. The Interim Resolution Professional (IRP) runs the operations of corporate person as a going concern up to 30 days during which he collects the claims and based on the same, forms a committee of creditors, which decides what to do with the corporate person.
- 7. Committee of Creditors (CoC) either to ratify the appointment of IRP and appoint him as Resolution Professional (RP) or replace him with another RP.
- 8. If the insolvency is resolvable, the CoC approves a resolution plan within 180 days with 75% majority.

9. If before the expiry of the insolvency process, the Adjudicating Authority (AA) does not receive Resolution Plan: or AA rejects Resolution Plan for non-compliance of requirements specified by the Board; or Resolution Professional before the confirmation of Resolution Plan intimate the decision of CoC to AA to liquidate, or if approved Resolution Plan has been contravened by any stakeholders (Corporate Debtor, Creditors, Employees or other person who is a party to Resolution Plan). the AA passes the liquidation order against the corporate debtor.
