"The whole secret of a successful life is to find out what is one's destiny to do, and then do it."

Updates on Insolvency and Bankruptcy Code

Homebuyers' preference to increasingly shift towards affordability post COVID-19

Real estate accounts for a sizeable 7% of India's GDP and employs over 50 million people. The industry also has a cascading effect on economy with over 250 related industries having linkages with it. It is of strategic importance not only as an economic growth driver but also towards job creation across the country.

Justice goes online: Coronavirus lockdown shows why courts must go digital to resolve issues

World is at the centre of the worst healthcare crisis in the history of mankind. Millions of healthcare workers have taken up the resilient task to save billions. Odds of extending the lockdown are higher than not, which is an absolute necessity, expected to safeguard citizens of this country.
